

To the Board and Members of the Concierge Association,

Carefree Lifestyle would like to extend our gratitude and enthusiasm to being accepted to your association. We have made many efforts in house to improve our performance for the ultimate experience, which we are very excited to offer to all of you.

We now have a Concierge Department to take care of all of your needs to pamper and impress all of your guests. Please feel free to let us work hard for you, so not only your guests, but yourselves as well can enjoy the Carefree Lifestyle!

Thank you again for this opportunity to become a part of your ever growing family.

Sincerely,
